Little Tinkers Nursery Childcare package

From September 2017 we at Little Tinkers will be offering 30 hours free childcare for 3 and 4 year olds to eligible parents.

(To find out if you are eligible for this additional funding please visit www.gov.uk/childcare-calculator)

Please note that all families will remain eligible for the 15 hours funding per week regardless of the eligibility for the 30 hours funding.

In order to be able to access this extra funding at Little Tinkers the parents need to agree to the following conditions:

There are no outstanding monies on the parent's account, failure to ensure this will result in you being unable to claim for funding until the following term and this is subject to the account being cleared at that time.

At Little Tinkers, children will be able to access funding Monday - Friday 8-6 term time only (term times run Monday - Friday made up of complete weeks only)

There will be an activity and sundry charge per 3 hour session of £3.50

Little Tinkers will be offering a childcare policy which will state the criteria for accessing 30 hours free childcare. This will give full details about opting in or out.

The review date will be April 2019
