Funding/Fee policy

At Little Tinkers we aim to be always transparent.

Funded hours can be used everyday Monday - Friday for all of our opening hours, 8 till 6.

We offer a stretched offer, 11 hours or 22 hours all year round, we do not charge for the 2 weeks we are closed.

All children can access the activities at no extra cost.

Funded hours are shown as funded hours on the invoice, any non-funded hours are invoiced as chargeable hours at £7.50 an hour.

There is a voluntary activity\consumable fee for over 3's. The invoice shows what you are being charged for and any queries please talk to Ellie or the accountant. Fees are invoiced monthly and we request prompt payment.

Yours sincerely
Ellie Hanna
